  Title: Counselor Toolkit: Assessments, Scores and Reporting  
  Description: The School Counselor’s Toolkit for the Redesigned Assessments will help participants support students, families, and colleagues implement the College Board SAT Suite of Assessments. In this interactive session attendees will learn about a focused and useful assessment system comprised of the SAT, PSAT8/9, PSAT 10, and PSAT/NMSQT. Designed to deepen understanding and facilitate important conversations about the assessments, participants will explore critical information, specifications and reporting updates. Additionally, participants will receive training on the Official SAT Practice on Khan Academy to support their student use of scores.
