

Fly-In Programs

There is no better way to learn about a college than to get a firsthand look on campus. A first stop for all Native students should be College Horizons. College Horizons is a 501c3 nonprofit dedicated to increasing Native American, Alaska Native, and Native Hawaiian student enrollment, success and college graduation rates. Their program takes Indigenous students to college campuses where they are able to meet with representatives from dozens of the nation's top universities. For more information, go to: collegehorizons.org.

Colleges at the following link provide all-expenses-paid visits for eligible students: coalitionforcollegeaccess.org/mycoalition-counselor-all/fly-in-programs-visits.
